Profile

I am an enthusiastic, self-motivated, reliable, and hard working person.
I am able to work well both in a team environment as well as using own initiative. I am able to work well under pressure and adhere to strict deadlines.
I have a strong interest in projects that require both conceptual and analytical thinking.
 Always eager to learn more tricks from anyone, learn and undertake new challenges.

Technical Skills

HTML

CSS

Javascript

Experience

Front-end Developer (course) , The Informal School Of IT   2017-Present

At this course, I got familiar with front-end technologies like HTML, CSS, and Javascript and to get ready to develop simple front-end applications. Next technologies were used: HTML,HTML5, CSS, CSS3, Javascript, jQuery, ReactJS.
 Created and implemented a custom CSS grid system, with CSS media queries for mobile responsiveness.
Designed and developed views/templates with Javascript
Made Ajax requests on API using jQuery
